CROWN TOURNAMENT AND KINGDOM A&S FAIRE

hosted by the barony of cynnabar

**MAY 23 AND 24,
2015**

– a welcome letter –

Ermenrich, Baron, and Kasha, his wife, Baroness of Cynnabar, by the Grace of Their Royal Majesties if We are anything, to all who will view the present letters, greeting and all goodwill.

Know that your presence in Our lands is welcome and pleasing in Our eyes. May your souls be gladdened and your skills proved by the competitions and entertainments that Our populace have provided. Such prowess, such benevolence We ask you to show for love of this Middle Kingdom and those who dwell here, that others will learn from your example to love and venerate the Kingdom and enhance it with necessary things. We also desire you to make no disturbance and to do no harm nor permit others to do any, but show to all persons reverence and love and defend them from injuries.

Know further that We are greatly honored to host this Tournament in Our lands and that we rejoice greatly at the imminent ascension of the Royal Heirs. Since We desire to observe faithfully and firmly the peace in which We dwell with Their Royal Majesties, We invite all to join with Us in tendering unto Them and Their Heirs the humble allegiance of total subjection, as much due as it is faithful.

Therefore so that these things be known by all We have caused the present letters to be written and strengthened by the protection of Our authority. Dated at Our Barony of Cynnabar in the year of the Society 50, on the feast of the blessed Saint Julia, in the first year of Our ascendancy.

4:00 pm	Laurel Meeting

– populace a&s viewing –

Populace viewing of Kingdom A&S entries will be on Saturday between 11:00 am and noon while the entrants are away at the Judges and Entrants Meeting. We ask that you please respect the hard work of the artisans - do not bring food or drink into the display areas, and do not touch or move the displays while viewing. You may, of course, leave tokens for any entries you admire and such tokens are appreciated by the artisans, but please place them in a way as to not disturb the displays.

– sca 50 year history project –

We will have a booth set up for people to record short videos about their SCA experiences. The videos collected will be used as part of the Historic Display at the SCA 50 Year Celebration June 17-27, 2016 in Indianapolis, Indiana, and on its associated YouTube channel. We want to collect the stories of people who represent the wide range of participants in our Society. No matter what your age, rank, or length of time in the Society, you are invited to share your experiences with us and with the attendees at the 50 Year Celebration. Contact: THL Elizabethhe Alles.

– crown tournament photos –

To commemorate the wondrous occasion of Kingdom Crown Tourney, Their Royal Majesties Ragnvaldr and Arabella would like all Consorts and Combatants to participate in having a photo taken of them before the Tournament begins. Please arrive early (9:00 am) and present yourselves to the photographers in Room 11/History room.

– heraldic volunteers –

Are you interested in helping to herald the lists and assist with other areas of service to the heraldic aspects of the tournament so as to get a closer look at the field of list heraldry? If so, contact Herr Alexander Adelbrecht von Markelingen directly.

– feast –

Please join us for the fresh tastes of spring which will accompany the selections of the new heirs to the Dragon throne at the Crown Tournament Feast. The menu selections are based off an actual late-14th or early-15th century dinner held in honor of “In Festo Sancte Trinitatis In Cena” (or the Feast of the Holy Trinity) which falls at the end of May, or the first half of June, eight weeks after Easter. This feast features the new spring delights, cold dishes, and fresh foods, which clearly shows cooks took advantage of the availability of fresh produce and other grocery items typically available during this time of the year. Seating available for 64 guests— inquire with the Gate for any remaining feast tickets.

Please note that no flames are allowed inside the building. Also note that no alcohol, smoking, or drugs are allowed anywhere on school grounds.
